## WELCOME TO THE CHESTER GROSVENOR

---

On behalf of my team and I, we wish you a very warm welcome to The Chester Grosvenor.

The history of Chester and its most famous hotel have been inextricably linked for many decades. While the existing building dates back to 1865, there has been an inn on this site since the late sixteenth century. Throughout the twentieth century the hotel has earned an enviable reputation for understated elegance, sublime comfort and a relaxed ambience.

The Chester Grosvenor is constantly adapting to meet the changing needs of our guests. We believe our strength lies in our attention to detail and exceptional levels of service.

We look forward to welcoming you to The Chester Grosvenor soon.
