TREATMENT MENU

The Spa at Cotswold House has been created to provide a complete Spa Retreat in the beautiful Cotswold Countryside. We welcome you into our tranquil and relaxing setting located in our stunning hotel gardens. It's the perfect environment to forget the worries and stresses of everyday life.

As you enter the Spa you will be embraced by the aroma of our products from The Natural Spa Factory. We are proud to be working with a local product from Bath which is 100% Naturally Sourced and vegan friendly. The Natural Spa Factory all began in 2009, where it was set up by a Husband and Wife supplying independent businesses with natural, authentic and considered products that can provide inSPAration to spas, salons, hotels and a true home spa experience for those of us who crave nice things.

They use botanically sourced ingredients derived by nature like herbs, plants and flowers and try to avoid as many nasties as possible.

Our treatment menu is designed to be equally suitable for men and women and for you to leave feeling completely revitalised and restored.

Our facilities include:

- Hydrotherapy pool
- Aromatic steam room
- Relaxation area
- 5 treatment rooms to enjoy a range of our treatments
- Manicure room
- Hair Salon

OPENING TIMES

**Our opening times are 10am - 6pm,
7 days a week.**

If you are staying at Cotswold House or the Noel Arms, please be advised that you will need to book a 2-hour slot to use our Spa facilities. We recommend booking as soon as you can to avoid disappointment.
