Congratulations!

Our Grade 2 Regency town house, set in the heart of one of the prettiest towns in the Cotswolds, is the most perfect location for your civil ceremony, exclusive-use or small, perfectly formed wedding.

Warm golden Cotswold stone and two acres of beautifully landscaped gardens combine with our unique style, exquisite food and attentive service. We promise you and your guests a truly wonderful experience.

Our dedicated team are on hand to ensure that the journey to your wedding is just as enjoyable as the special day itself. To assist on this delightful journey, we have put together some suggestions that may help you!

Choose the package that most suits you, and then we'll work together to make it perfectly bespoke so as to fulfil your personal expectations.

Our Space

Walking down the aisle is one of the most important moments of your big day. If you choose to have a civil ceremony with us then there are two stunning and fully air conditioned rooms to choose from.

The Montrose Suite is a lovely light-filled room with pitched roof and beams that really sets the scene and can seat up to 90 guests for a ceremony, 90 for a wedding breakfast and 120 for an evening reception.

The Fig encapsulates the original Regency Manor House with contemporary décor, the perfect backdrop for a grand entrance and can seat up to 50 guests for a ceremony, and 44 for a wedding breakfast.

Our talented kitchen team are creative and passionate about food. Taking their inspiration from the generous Cotswolds larder our exquisite menus are bursting with fresh, seasonal flavours, combined with a modern British flair. Our chefs are happy to prepare healthy and tasty food for your younger guests and should any of your guests have specific dietary requirements, we will be delighted to create alternative dishes for them.

Whatever your menu choice, be it the traditional 3 course wedding breakfast, one to include your favourite dish or something simply unique to you, we can create it specially for you.
