**Fernhill**  
Hotel

## *Congratulations!*

At Fernhill Hotel, we understand that your wedding day is one of the most important days of your life.

Everything must be perfect, from the table linen to the flowers, the food and the entertainment. With stunning views over our gardens to the village and the harbor of Portpatrick and out across the Irish Sea, Fernhill provides an idyllic location for wedding celebrations.

Our dedicated team are here to ensure that the journey to your wedding is just as enjoyable as the day itself. We have put together some suggestions to make it easy or if you'd like something different, we are happy to tailor a package to suit!

## *Our Space*

Walking down the aisle is one of the biggest and most important moments of your big day. Our large sunny conservatory can comfortably seat 50 guests for your wedding ceremony and your wedding meal can take place in our oak floored dining room and adjacent bar.
