

Stonefield Castle
Wedlock in Lockdown £2495 - 20 people
Intimate Weddings for your Nearest and Dearest

Our Intimate Wedding Package will ensure you are able to experience a beautiful and memorable wedding day with those closest to you.

The package includes;

Accommodation for two people the night before your wedding with a 3 course dinner and a chilled bottle of Champagne to commence your celebrations.

Wake up to a luxurious 'Bucks Fizz' Scottish breakfast served in your room on the day of your wedding.

With plenty of time to relax and prepare for the day, there's ample space in our Principle rooms to pamper and oversee any final arrangements in anticipation of your wedding day. We will also provide the Champagne and light lunch to keep you going before the ceremony which will take place in our Library.

Chair covers, sashes, room hire, and a red carpet are all included, and your dedicated wedding co-ordinator will direct the day's events and oversee any formalities you require.

We will greet your nearest and dearest on their arrival, co-ordinate with the registrar and ensure they are seated ready for your entrance.

After the Ceremony make use of the Castles 60 acres of gardens for those all-important photographs.

Meanwhile your wedding party can enjoy a selection of drinks and canapes in our lounge before taking your seats in our Drawing Room, for a delicious 4 course meal, accompanied by crisp white linen and napkins, our chosen wines and of course, a glass of Champagne for the toasts.

The Drawing Room is available throughout the rest of the evening for you and your guests to relax and reminisce.

Enjoy your wedding suite on the evening of your nuptials and a full Scottish breakfast the following morning before you depart - *additional rooms are available at published rates.*

Tailor make your package with the following options

Additional Canape items (3 included) - £1.50 per head

Wines and Champagnes can be upgraded – Price on Application

Menu Choices Can be upgraded to your preference - Price on Application
