

# TULLOCH CASTLE HOTEL

Tulloch Castle dates from the 12th century, when the Bains and later the Clan Davidson laid claim to its lands. Like its lively history, the castle's fortunes have changed many times. Now, it stands as a magnificent hotel, with a ready welcome for leisure and business travellers.

The castle retains many of its period features, including the 250 year old panelled great hall, and painstakingly restored original fireplaces and ceilings.

In days of old, only the Laird or the Chief of the Clan could enjoy a relaxing stay in a Scottish highland castle. Thankfully, times have changed. Today, Tulloch Castle has 22 well-appointed en suite bedrooms, each with their own unique character and charm. Guests are given a warm welcome, and can expect splendid hospitality, comfortable surroundings and superb food.

Tulloch Castle is pet friendly and welcomes dogs at the hotel.
